LUBRICANTS & FLUIDS

Recommendations for all climates and conditions

COMPONENTS		AMBIENT TEMPERATURE ° C									
Specification	SAE	-30	-20	-10	0	10	20	30	40	50	
Petrol engine sump Oil to meet ACEA A1, (Note: ACEA A2 oils are also suitable)	5W/30										
	5W/40, 5W/50										
	10W/30										
	10W/40										
	10W/50										
	10W/60										
Diesel engine sump Diesel oils meeting ACEA B3:96	5W/30										
	5W/40										
	5W/50										
	10W/30										
	10W/40										
	10W/60										
Main gearbox - manual Texaco MTF 94											
Main gearbox - automatic Dexron IID or Dexron III											
Transfer box Dexron IID or Dexron III											
Final drive units Texaco Multigear 75W 90R											
Power steering Dexron IID, Dexron III or Texmatic 9226
